THE Delancey UK CHESS CHALLENGE

This is an annual chess competition for young people aged from under 7 through to under 18. Last year over 40 thousand took part. It runs in four stages, the first stage is a qualifying competition which takes part in the school or chess club, over seven weeks. The best girls and boys in each age group (U7, U7G, U8, U8G, etc.) qualify to take part in a local "Megafinal" in April or May. From there, the best players qualify in each age group, girls and boys to a regional "Gigafinal" in Reading in July and then potentially to a national "Terafinal" in August.

Qualifying

In a change from previous years, those aged over can take part directly in the Megafinal of their choice. Meanwhile in the age groups, U7, U8, U9, 10 and U11, boys and girls can qualify through this Last Chance Saloon by finishing top in their age groups, or by scoring a minimum of 17 points.
